Career Objective

Enthusiastic and detail-oriented recent graduate with a certification in Full Stack Java Development from QUASTECH PVT LTD, eager to start a career as a web developer. Proficient in HTML, CSS, JavaScript, and familiar with frameworks like Spring Boot & Hibernate. Committed to applying my skills in front-end and back-end development, along with my ability to quickly learn and adapt to new technologies. Seeking an opportunity to contribute to a dynamic team, deliver high-quality web solutions, and grow professionally in a fast-paced tech environment."

Personal Experience

Web Development Intern

Infotech | Remote

Dec 7, 2024 – Jan 7, 2025

- Contributed to design, development, and enhancement of web applications using both front-end.
- Collaborated with the team to improve system functionality and user experience.
- Gained hands-on experience front-end technologies like HTML, CSS, JavaScript, Bootstrap.

Technical Skills

- Front end technology:** Html, CSS, JavaScript, jQuery, Bootstrap.
- Backend technology:** Java, Spring Boot Framework, Hibernate.
- Database:** MySQL.

Project

1. Coffee Website using HTML5, CSS3, JavaScript, Bootstrap

🔗 Priyaprajapati123

Developed and launched an e-commerce platform for a specialty coffee brand, enabling customers to explore, select, and purchase a variety of coffee blends, brewing equipment, and accessories. The website features an intuitive user interface, seamless shopping experience, and integration with secure payment systems.

2. Personal Portfolio website using HTML5, CSS3, JavaScript

Developed a responsive and interactive personal portfolio website to showcase skills, projects, experience. The website features a modern design, smooth navigation, and an intuitive user interface, designed to highlight technical abilities and project work in a visually engaging way.
